

Pay-As-You-Go Act of 2010, shall be determined by reference to the latest statement titled "Budgetary Effects of PAYGO Legislation" for this Act, submitted for printing in the Congressional Record by the Chairman of the House Budget Committee, provided that such statement has been submitted prior to the vote on passage.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from California (Mr. TAKANO) and the gentleman from Illinois (Mr. BOST) each will control 20 minutes.

The Chair recognizes the gentleman from California.

GENERAL LEAVE

Mr. TAKANO. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 4772, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. TAKANO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 4772, as amended, the Mark O'Brien VA Clothing Allowance Improvement Act.

As it stands today, under 38 U.S.C. 1162, the Secretary may pay an annual clothing allowance payment to a veteran with a service-connected disability that requires the use of a prosthetic or orthopedic appliance, including a wheelchair, which the Secretary determines tends to wear out or tear the clothing of the veteran, or medication which, A, a physician has prescribed for a skin condition, or, B, the Secretary determines causes irreparable damage to the veteran's outer garments.

Veterans who are entitled to a VA clothing allowance must reapply each year to receive the annual payment. This places the onus on veterans with what are, in most instances, permanent conditions to remember to reapply each year to receive the benefit they have already shown they are entitled to. Veterans must also remember to apply before August 1 or risk denial due to untimely application.

Mr. LEVIN's bill would change all of that. It would amend 38 U.S.C. 1162 to allow for the VA clothing allowance to be an automatic annual payment, subject to periodic review by VA to determine continued entitlement.

It would no longer force veterans to reapply each year and, instead, requires VA to complete periodic reviews to determine continued entitlement on its own initiation. This would require notice to the veteran if entitlement were no longer shown.

Approximately 40,000 veterans were approved for the clothing allowance benefit in fiscal year 2020 alone. This bill would ensure these veterans no longer have to reapply every year to maintain their benefits.

Mr. Speaker, I wholeheartedly support this bill. I urge all of my colleagues to join me in supporting Mr.

LEVIN's beneficial and commonsense legislation, and I reserve the balance of my time.

Mr. BOST. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 4772, as amended, the Mark O'Brien VA Clothing Allowance Improvement Act.

The clothing allowance program was created to give veterans the financial means to replace clothes that have been damaged due to their service-connected disability. For example, a veteran who has a prosthetic or uses a wheelchair may wear out their clothes quickly and need to replace them often.

Yet, under current law, veterans who qualify for the clothing allowance must go through a tedious process of reapplying every year to receive their benefit, even if their condition is unlikely to change.

H.R. 4772, as amended, would streamline the process for veterans receiving a clothing allowance by making the renewal process automatic.

To ensure proper oversight of this program, VA would be required to reevaluate the veteran 5 years after they have received the benefit to determine eligibility for the clothing allowance. If a veteran has a more permanent condition, such as an amputation, VA would have the authority to exempt the veteran from regular reevaluations.

I support these commonsense changes, which would simplify the clothing allowance program and reduce the paperwork burden on our veterans, and I am glad to see the cost of the bill is also fully offset. I thank Congressman LEVIN and Congressman MOORE for their leadership on this issue.

Mr. Speaker, I urge all Members to support H.R. 4772, as amended, and I yield back the balance of my time.

Mr. TAKANO. Mr. Speaker, I ask all of my colleagues to join me in passing H.R. 4772, as amended, and I yield back the balance of my time.

Ms. JACKSON LEE. Mr. Speaker, I rise in support of H.R. 4772, the Mark O'Brien VA Clothing Allowance Improvement Act.

This legislation would amend the VA's existing clothing allowance program by enabling automatic payments to continue being made to eligible veterans on a recurring basis until the veteran opts out of the program or is no longer eligible.

The bill will make it easier for veterans—especially veterans living with lifelong disabilities—to receive their earned clothing benefits which enables them to live with the dignity and comfort that they earned and so rightfully deserve.

Millions of veterans will live the rest of their lives with disabilities due to service-incurred injuries and physical impairments that resulted after they made the decision to protect our nation and safeguard our freedom.

Our courageous servicemembers have pledged that, on the battlefield, they will leave no soldier behind. In carrying out this sacred obligation, many have suffered life-altering injuries, including loss of limbs.

These injuries often result in loss of mobility or the need for a prosthetic which require spe-

cialized clothing and cause accelerated deterioration of standard garments.

In full appreciation of their devotion and the consequences they suffered from it, as a nation, let it be our pledge that when they return home, we leave no veteran behind.

H.R. 4772, the Mark O'Brien VA Clothing Allowance Improvement Act will alleviate these veterans' burden of needing to reapply for clothing benefits every year for our 1.9 million veterans with a service-connected disability.

I urge all of my colleagues to vote in favor of H.R. 4772, the Mark O'Brien VA Clothing Allowance Improvement Act.

Veterans have kept their promise to serve our nation; they have willingly risked their lives to protect the country we all love. We must now ensure that we keep our promises to our veterans.

Let us resolve together that we will provide returning veterans with the welcome, services, care, and compassion that they deserve.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. TAKANO) that the House suspend the rules and pass the bill, H.R. 4772, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. GOOD of Virginia. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

GENERAL LEAVE

Mr. TAKANO. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 5943, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. TAKANO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of this bill, H.R. 5943, as amended, which will appropriately honor the memory of Lance Corporal Dana C. Darnell as one of the more than 58,000 names etched on the Vietnam Veterans Memorial just down the street on The National Mall.

Like so many of those who served our great Nation, Lance Corporal Darnell's life was tragically cut short. In April 1967, his Marine platoon was ambushed by enemy forces in the Quang Tri Province in north-central Vietnam.

Lance Corporal Darnell, at just 19 years old, displayed remarkable bravery and selflessness in the face of adversity. When his platoon's mortar gunner was knocked unconscious, Lance Corporal Darnell quickly retrieved the weapon and began firing it into the enemy's position.

After exhausting his ammunition, he moved from man to man, collecting additional mortar rounds to help silence the attack. In doing so, Lance Corporal Darnell undoubtedly saved the lives of others in his platoon.

Even after being temporarily blinded by enemy fire, Lance Corporal Darnell refused to be evacuated. Instead, he quickly began caring for his wounded comrades. Two days later, Lance Corporal Darnell was killed in action.

For his extraordinary heroism, Lance Corporal Darnell was posthumously awarded the Navy Cross by President Johnson. The Greenville, South Carolina, native also received a Purple Heart and National Defense, Vietnam Service, and Vietnam Campaign Medals for his meritorious service.

I thank my colleague, Representative TIMMONS, for introducing this bill, which will designate the Department of Veterans Affairs outpatient clinic in Greenville, South Carolina, the Lance Corporal Dana Cornell Darnell Outpatient Clinic.

This bill has letters of support from The American Legion, the Veterans of Foreign Wars, and Disabled American Veterans. Mr. Speaker, I include these letters in the RECORD.

Subject: Support for Bill, Naming Greenville CBOC

Congressman WILLIAM TIMMONS (SC-04),

Attn: Jessica Ridley.

The DAV Department of South Carolina, fully support Congressman William Timmons' Bill that would name the VA Greenville Community-Based Outpatient Clinic (CBOC) for a Vietnam Marine who was killed in 1967 at Khe Sanh during an action for which he received the Navy Cross.

We are honored to write this letter of recommendation for LCpl Dana Cornell Darnell, United States Marine Corps.

LCpl Darnell was born in Greenville, South Carolina on February 5, 1948. He joined the U.S. Marines on his 18th birthday, arriving at Parris Island, South Carolina on March 8, 1966. He received further training at Camp Pendleton, California before his assignment in Vietnam on August 20, 1966. On April 24, 1967, North Vietnam Army Forces ambushed his platoon and wounded this young Marine. He died April 26, 1967, at 19 years of age.

The Navy Cross was awarded, posthumously, to LCpl Darnell for his extraordinary heroism and for exhibiting sound judgement and calmness in the face of intense enemy fire.

The personal sacrifice and brave actions of LCpl Dana Darnell help preserve our nation's freedom for which we are profoundly grateful. We wholeheartedly support the recommendation that the VA Greenville CBOC be named in his honor.

Respectfully,

LARRY LONG,

Commander, DAV Dept. of South Carolina.

Mr. TAKANO. Mr. Speaker, I urge all of my colleagues to join me in supporting H.R. 5943, as amended, and I reserve the balance of my time.

Mr. BOST. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 5943, as amended, a bill to designate the Department of Veterans Affairs community-based outpatient clinic in Greenville, South Carolina, as the Lance Corporal Dana Cornell Darnell VA Clinic.

Lance Corporal Darnell was born in Greenville, South Carolina, and joined the United States Marine Corps on his 18th birthday. While he was deployed to the Republic of Vietnam in 1967, his unit was engaged in a mission against Vietcong and North Vietnamese forces in Quang Tri Province. His patrol was ambushed by enemy forces using heavy small arms and automatic weapons fire.

In the chaos that ensued, his mortar gunner was knocked unconscious. Displaying courage in the face of extreme danger, Lance Corporal Darnell quickly retrieved the mortar.

Despite being unable to set the mortar up properly, he continued to fire at the enemy. When he ran out of ammo,

he moved from man to man, collecting more ammo until the enemy guns fell silent.

When Lance Corporal Darnell's unit was ordered to withdraw from the area, he dragged two marines to safety and refused to evacuate himself. He stayed back to tend to the wounded.

Lance Corporal Darnell died 2 days later, on April 26, 1967, at the age of 19. He was awarded the Navy Cross for his selfless sacrifice and act of courage in combat.

Lance Corporal Darnell's service to our Nation is truly worthy of honor. *Semper Fidelis*.

Naming this VA facility after the Greenville native son and hero will serve as a reminder and an inspiration to all who seek care there. It will also ensure that his story of service is never forgotten.

Mr. Speaker, I encourage all of my colleagues to support H.R. 5943, and I reserve the balance of my time.

Mr. TAKANO. Mr. Speaker, I have no further speakers, and I am prepared to close.

Mr. BOST. Mr. Speaker, I yield 3 minutes to the gentleman from South Carolina (Mr. TIMMONS).

Mr. TIMMONS. Mr. Speaker, I thank Ranking Member BOST and Chairman TAKANO for supporting this bill and bringing it to the floor today.

Mr. Speaker, I rise today in support of our bill, H.R. 5943, to designate the outpatient clinic of the Department of Veterans Affairs in Greenville, South Carolina, as the Lance Corporal Dana Cornell Darnell Outpatient Clinic.

A native of Greenville, South Carolina, Dana Cornell Darnell was a lance corporal in the United States Marine Corps during the Vietnam war. On April 24, 1967, his platoon was ambushed by North Vietnamese Army forces. He quickly worked to silence enemy fire. Even after being temporarily blinded, he refused to be evacuated and quickly began assisting in the care of the wounded.

For his extraordinary heroism, Lance Corporal Dana Cornell Darnell was awarded the Navy Cross.

Renaming the Greenville VA clinic in honor of Lance Corporal Darnell will ensure we never forget the courage, service, and sacrifice of our fellow South Carolinian.
